

WOODROW WILSON IS ELECTED PRESIDENT

INCREASE MAJORITY
IN THE HOUSEDemocratic Gains in
Congress.

CAPTURE SENATE SEATS

May Be Sufficient to Change
Political Complexion.

Washington, Nov. 6.—Later returns made more certain the earlier indication that the Democrats would increase their contingent in the house of representatives. Returns showed that by the reapportionment and by defeat of opponents in normally Republican districts there was a gain of twenty-four Democrats over the number accredited in the Sixty-second congress and a loss of one. The gain was as follows:

Five in New Jersey, 2 in Texas, 1 in Louisiana, 1 in Florida, 1 in Georgia, 4 in Connecticut, 1 in Alabama, 1 in Iowa and 8 in New York. In Wisconsin two were elected nominally on a Democratic ticket from Republican districts, though they actually were named by a fusion following.

A number of the Republican representatives returned were given the Progressive endorsement.

INDICATE GAINS IN SENATE

Returns Show Democrats May Capture Several Seats.

Washington, Nov. 6.—Indications contained in early and incomplete returns were that the Democrats would make gains in the United States senate, but whether these gains would be sufficient to change the political complexion of the senate was undetermined.

In New Jersey it appeared likely that a Democrat would succeed a Republican and, while Progressive leaders in Colorado would not concede it, there appeared from the Wilson gains indicated in early returns a possibility that two Democratic senators would be returned from that state.

MICHIGAN FOR ROOSEVELT

Indications Are Democrats Will Elect the Governor.

Detroit, Nov. 6.—Incomplete returns from throughout the state indicate with reasonable certainty that Roosevelt would carry the state by at least 50,000 and that Ferris, the Democratic candidate for governor, would have a plurality of more than 25,000.

Wilson was running second to Roosevelt, and Musselman, Republican candidate for governor, was second to Ferris. The state Progressive ticket was running third in nearly every instance.

ROOSEVELT WINS KEYSTONE

Half of Vote Indicates Plurality of From 25,000 to 35,000.

Philadelphia, Nov. 6.—With the vote of approximately half of the election districts in Pennsylvania counted the indications are that Roosevelt's plurality in the state will be from 25,000 to 35,000.

Returns from 2,854 election districts out of 6,593 in Pennsylvania gave Taft 149,538, Wilson 174,018, Roosevelt 179,309.

WILSON LEADS IN OREGON

Bourne Appears Defeated for United States Senate.

Portland, Ore., Nov. 6.—Scattering returns from the state indicate that Wilson has carried Oregon by a safe plurality, with Roosevelt second. The senatorial fight apparently lies between Selling, Republican, and Lane, Democrat. Jonathan Bourne, Republican incumbent, is running third in the early returns.

MONTANA GOES FOR WILSON

Walsh, Democrat, to Be United States Senator.

Helena, Mont., Nov. 6.—Sixty-seven scattered precincts in Montana out of 916 gave Taft 2,232, Wilson 5,474, Roosevelt 3,414, Debs 742.

For senator: Walsh, Democrat, 2,253; Smith, Republican, 1,355; Dixon, Progressive, 1,513.

Democrat to Succeed Wilson.

Newark, N. J., Nov. 6.—A Democrat will succeed Woodrow Wilson as governor of New Jersey. Democrats elected four of six state senators, displacing a Republican majority of one with a similar Democratic majority, which will elect Wilson's successor as governor.

Has Over 300 Electoral Votes.

ROOSEVELT IS SECOND

Taft Appears to Have Carried Only a Few Small States.

+ New York, Nov. 6.—Latest returns from all states gave +
+ Wilson 395 electoral votes, +
+ Roosevelt 117 and Taft 8, with +
+ the 11 votes of Idaho, New +
+ Hampshire and Wyoming still +
+ in doubt. +

New York, Nov. 6.—With the election of Woodrow Wilson to the presidency and Thomas R. Marshall to the

the latter votes reported, it seemed not wholly improbable that its five electoral votes would go to Wilson.

Taft Plurality Dwindle.
The early returns gave an apparent victory to Taft in New Hampshire and Vermont, but the Taft pluralities dwindled to a very few hundred votes in each state and seemed likely to be wiped out entirely.

The vote in Pennsylvania was amazingly close, the returns from more than 1,000 precincts, embracing over 185,000 votes, giving each of the three leading presidential candidates more than 60,000 votes.

Many surprises were shown in the returns. The New York state assembly seemed to be overwhelmingly Democratic. In Illinois indications were that Judge Dunne, the Democratic candidate for governor, had won notwithstanding the heavy Roosevelt victory. Former Speaker Cannon seemed to have been defeated for re-election to congress in Illinois.

In addition to Roosevelt's certain victory in Illinois the confident claims of the Roosevelt managers that Michigan and Kansas would fall into the Roosevelt column seemed verified by the partially complete returns. Iowa, first given to Roosevelt, seemed to swing to Wilson in later returns. The returns from California were meager,

TAFT SEES WARNING
IN TREND OF VOTE

President Makes Statement on Election Results.

Cincinnati, Nov. 6.—President Taft conceded the election of Governor Wilson. He issued the following statement from his brother's home here:

"The returns insure the election of Governor Wilson to the presidency. This means an early change in the economic policy of the government in reference to the tariff. If this change can be made without halting prosperity I sincerely hope it may be.

"The vote for Mr. Roosevelt, the third party candidate, and for Mr. Debs, the Socialist candidate, is a warning that their propaganda in favor of fundamental changes in our constitutional representative government has formidable support.

"While the experiment of a change in the tariff is being carried out by the Democratic administration it behooves Republicans to gather again to the party standard and pledge anew their faith in their party's principles and to organize again to defend the constitutional government handed down to us by our fathers."

WILSON CARRIES DELAWARE

Democrat Will Succeed United States Senator Richardson.

Wilmington, Del., Nov. 6.—Woodrow Wilson carried Delaware by from 5,000 to 10,000 plurality.

The next Delaware legislature will be Democratic and it will elect a successor to United States Senator H. A. Richardson, Republican.

The Democrats will have a majority of three on joint ballot in the legislature.

BEVERIDGE LOSES IN INDIANA

Own Precinct Turns Down Progressives.

Indianapolis, Nov. 6.—Indiana apparently went overwhelmingly Democratic. Governor Wilson, on the basis of the returns from 517 precincts out of the 3,172 in the state, had almost as many votes at Taft and Roosevelt combined. Wilson was leading Taft by more than 2 to 1.

For governor, Samuel M. Ralston, Democrat, led over Albert J. Beveridge, Progressive, and Winfield T. Durbin, Republican.

Beveridge lost in his own precinct, running second to Ralston.

UNCLE JOE CANNON BEATEN

Election of O'Hair Conceded by Former Speaker's Son-in-Law.

Danville, Ill., Nov. 6.—Twenty-eight precincts out of sixty-seven in Vermilion county, including ten in the city of Danville, gave O'Hair a lead of 14 over former Speaker Cannon. Indications are that O'Hair is elected by about 800.

E. X. Lesure, son-in-law of former Speaker Cannon, conceded O'Hair's election.

EBERHART LEADING
IN MINNESOTACARRIES NEW YORK
BY ABOUT 200,000

Wilson Secures Empire State by Large Plurality.

New York, Nov. 6.—Woodrow Wilson was the choice of the state of New York for president by a plurality estimated at about 200,000 from returns received from nearly every election district in the Greater City of New York and from all but 500 of the 3,093 districts outside of New York city.

President Taft led Colonel Roosevelt in the same districts by about 35,000 votes.

Congressman William Sulzer was elected governor with a plurality estimated at about 175,000 over Job E. Hedges, the Republican nominee, who, in turn, led Oscar Straus, candidate of the Progressive party, by about 15,000 votes.

MARYLAND FAVORS WILSON

Democrats Liable to Secure All the Congressmen.

Baltimore, Nov. 6.—Woodrow Wilson carried Maryland by from 20,000 to 25,000 plurality, estimated from figures received. Roosevelt ran second and Taft third.

All of the five Democratic congressmen were re-elected and indications favored the election of F. J. Smith, Democrat, in the Fifth district, over Representative Thomas Parran, Republican.

COLORADO IN WILSON COLUMN

Plurality of Governor Is Estimated at About 40,000.

Denver, Nov. 6.—Returns received from 378 precincts in thirty counties, including 174 in Denver, indicate that Wilson has carried the state by a substantial plurality. These reports on straight ballots give Wilson 22,891, Taft 11,306 and Roosevelt 15,355.

Figured on an estimated total vote of 27,000 in the state, Colorado should give Wilson a plurality of about 40,000.

BRYAN TELEGRAPHS WILSON

Congratulates Governor and Country Upon Election.

Lincoln, Neb., Nov. 6.—William J. Bryan sent the following telegram to Governor Wilson:

"I most heartily congratulate you and the country upon your election. Your splendid campaign has borne fruit in a great victory. I am sure your administration will prove a blessing to the nation and a source of strength to our party."

IOWA IS IN WILSON CAMP

If Ratio Continues He Will Have State by From 4,000 to 6,000.

Des Moines, Nov. 6.—Figures from about one-fourth of the precincts in the state in reference to the presidential ticket put Woodrow Wilson ahead of Colonel Roosevelt by a plurality of from 4,000 to 6,000, if the present ratio continues.

Earlier returns had given Roosevelt a substantial lead of nearly 25,000, estimated. These figures were based on reports from the northern part of the state, which had been conceded to be the Roosevelt stronghold. Reports from southern counties, however, materially changed the situation.

NEW HAMPSHIRE IN DOUBT

Taft Has Less Than 100 Lead Over Wilson.

Concord, N. H., Nov. 6.—New Hampshire is in doubt. President Taft has a lead of less than 100 over Governor Wilson.

Returns have been received from less than one-half of the 290 districts in the state.

Colonel Roosevelt's vote was about one-half that of President Taft.

Dolls Stuffed With Fortunes.

The Bank of France destroys old notes by placing them in a vat and subjecting them to the action of certain corrosive acids. In a few moments the banknotes are reduced to pulp. This pulp is sold to toymakers, who use it for stuffing their less expensive dolls, so that the plaything of a child may be stuffed with what was once a fortune.

Nevada to Jersey Governor.

Reno, Nov. 6.—Incomplete returns from scattering precincts throughout the state give Wilson a substantial lead over Taft and Roosevelt. The congressional and senatorial contests were so close that no prediction could be made of the outcome.

Appears Winner for
Governorship.

ROOSEVELT RUNS WELL

May Secure Majority in Several
Northwestern States.

St. Paul, Nov. 6.—Partial returns that include 332 scattering precincts outside the Twin Cities, one-third of the precincts in St. Paul and forty-nine of the 115 precincts in Minneapolis show Governor Wilson leading Colonel Roosevelt in Minnesota by a margin of about 3,300 votes. Taft on the partial returns, is behind Roosevelt more than 5,000 votes, but is running stronger than was anticipated.

Governor Eberhart is leading Ringdal, Democrat, and Collins, Progressive, and on the face of early returns has been re-elected, carrying with him, it seems probable, all the Republican state ticket. Collins is not a factor.

In forty-two precincts in Ramsey county, scattering precincts outside the Twin Cities and forty-nine precincts in Hennepin county Eberhart is leading Ringdal by about 2,600 votes and Collins is trailing the Democratic nominee, behind nearly 10,000. The country vote, which is showing a tendency to go for Roosevelt, may swing the state to the colonel. Eighth district Progressives claim he will carry that district by more than 5,000 and offset a Wilson plurality in Hennepin and a probable Wilson plurality in Ramsey county. Taft ran second to Wilson in Hennepin county. National Committeeman E. B. Hawkins at Duluth declared his belief that Wilson has carried Minnesota by a small plurality over Roosevelt.

In forty-two precincts of Ramsey county and from thirty to fifty-five precincts outside of Ramsey and Hennepin counties on state officers there were the following results:

United States senators, Nelson 5,088, Lawler 4,733; congressman-at-large, Mannheim 4,751, Buell 2,956; lieutenant governor, Burnquist 5,082, Powers 3,831; secretary of state, Schmalz, 4,515, Grimmer 3,620, Norrellus 732; railroad commissioner, four-year term, Mills 4,134, Reiter 3,279, and six-year term, Elmquist, 3,458, Gayner 3,068, Sharkey 1,126; chief justice, Brown 2,408, Stanton 2,821, Stewart 1,699; associate justice, Holt 2,077, Bunn 3,821, Hallam 4,235.

NORTH DAKOTA DEMOCRATIC

Roosevelt Running Second and President Taft Third.

Grand Forks, N. D., Nov. 6.—Wilson carried North Dakota by a big plurality, returns received placing him in the lead in almost every county. Roosevelt is in second place, while President Taft is a close third.

Louis B. Hanna, Republican, was elected governor, having a lead over F. O. Hellstrom, Democrat, of about 6,000. W. D. Sweet, Progressive candidate, showed up very poorly. Many counties failed to report his vote because it was so light.

On the Missouri slope the strength of the Republicans was greater than in any other section and even there Wilson went into the old time strongholds for majorities in several counties.

For congress the Republicans have been successful in the First and Second district, while in the Third district the race between Halverson, Democrat, and Norton, Republican, has become decidedly close.

The remainder of the Republican ticket has been elected by almost normal majorities.

COLONEL IN SOUTH DAKOTA

Returns Indicate Plurality of From 8,000 to 10,000.

Sioux Falls, S. D., Nov. 6.—Returns coming in slowly indicate Roosevelt has carried South Dakota by from 8,000 to 10,000. The governorship is in doubt, with Frank M. Byrne, Republican, and Edwin S. Johnson, Democrat, running a neck and neck race.

The Republicans doubtless have elected their candidates for congress in all three districts. That they also have elected their state ticket, with the probable exception of governor, appears certain.

The Republican congressmen who appear to be elected are Martin Burke and Judge C. H. Dillon.

Socialist Beaten for Mayor.

Minneapolis, Nov. 6.—Returns from 105 precincts out of 115 gave Nye, nonpartisan candidate for mayor, 30,427 against 14,905 for Van Lear, Socialist.

vice presidency assumed by the earlier returns the reports gave indications that the electoral vote of the Democratic candidates would pass the 300 mark.

The size of the popular majority given the Democratic national ticket in the states outside of Illinois, that might give electoral votes to either Taft or Roosevelt, were matters of conjecture.

It was certain, however, that Illinois would give an overwhelming majority to Roosevelt, while the race in Pennsylvania was close, with Roosevelt an apparent winner.

Early returns gave Governor Wilson and Governor Marshall the South and Connecticut, Delaware, Kentucky, Maine, Maryland, Massachusetts, New York, West Virginia, Indiana and Missouri.

As returns from the West began to come in earlier estimates were confirmed, and Montana, New Jersey and New Mexico were added to those that seemed certain for the Democratic candidates, while scattering returns from San Francisco and Los Angeles made it probable that California might join the Wilson-Marshall column, though the Progressives still claim the state.

Rhode Island also became a doubtful state on the returns and, based on

only left this state in doubt between Wilson and Roosevelt. The uncertainty regarding Vermont was settled by the announcement of the complete vote which gave Mr. Taft a majority of 924 votes.

The Providence, R. I., Journal conceded that state to Wilson and with the result in New Hampshire it seemed probable that New England, with the exception of Vermont, had gone to the Democratic column.

But little definite news from states of the Pacific West was received. The tabulation of votes in the other Western states was so slow as to make predictions impossible as to where their electoral votes would go.

STATE BREAKS RECORD

New: Before Went Democratic for President.

Boston, Nov. 6.—Massachusetts, nominally a Republican state, gave substantial majorities to Woodrow Wilson for president and Eugene N. Fox for governor, Democratic candidates.

It was the first time that Massachusetts ever had favored other than a Republican for president.

President Taft and Colonel Roosevelt ran about even.

WEDNESDAY, NOVEMBER 6, 1912

Your Christmas shopping, do it
early now that election is over.

Well, it did not snow the next
day, although there was an ava-
lanche.

The man who could not tell you
how it happened the next morning
after election was a scarce propo-
sition.

Minnesota will have a good,
staunch republican at the seat of
government by the return of Hon.
Knute Nelson to the United States
senate.

Congressman Stevens is reelected
to congress, defeating Hugh T. Hal-
bert the only progressive aspirant
to the national legislature on the
ballot, and James J. Rahan democrat.

Governor Eberhart and the entire
republican state ticket are elected
by safe pluralities. Eberhart has
run ahead of the ticket and his plu-
rality will be in the neighborhood of
20,000.

The cold, grey dawn of the morn-
ing after will soon be dissipated.
It is an unfortunate individual who
cannot find some satisfaction out of
the result, no matter how he stood
on the main proposition. Now let's
forget politics and get down to busi-
ness and boost for the town we live
in, and the whole country.

All predictions regarding the result
of the election seem to have been
made on the personal feelings of the
predictor and the most wise guessers
went wide of the mark. Wilson,
the democratic candidate, has been
elected president of the United States
in what may be termed a landslide.
The result was not unexpected, and
the house that was divided against
itself has fallen, for the time being.
The split in the republican party and
the defection of votes by the Roose-
velt candidacy has carried the ticket
down to defeat and has placed the
democratic party in power. What-
ever glory there is in it is due to
Theodore Roosevelt more than to
the party that has been the benefi-
ciary. The struggle is over, for four
years at least, and the people of
this great country, the best on
the face of the globe, will strive to
make it such that it will keep its
place as the most progressive and
foremost country in the world, the
land of liberty that we all love so
much. Let the people rule, and
may the best interests of all the peo-
ple be promoted.

Alligator Skins.

The difficulty about raising alligators
to supply the demand for the animals
and skins is that they do not attain
full growth for about 100 years. The
skin of the six or seven-year-old ani-

practical purposes. There is one on a
farm at Palm Beach which measures
eighteen feet in length and is said to
be about 900 years old. There are sev-

ELECTION RESULTS IN THE COUNTY

Bouck and Brown Lead in Contest for Representatives of This District

CITY RETURNS INCOMPLETE

Swanson in Lead for County Attorney with Several Precincts to Hear From

So far the first ward is the only precinct of the city which at the time of going to press has made a complete count of the ballots cast. City returns are therefore incomplete.

G. S. Swanson, the republican nominee for county attorney, is making a good run and is in the lead, followed by Jay Henry Long and W. W. Barron.

Stanton polled a good vote in Brainerd and the country districts. The table published elsewhere will give the vote in precincts that have reported up to the time of going to press.

Twenty-one precincts including the first ward of the city of Brainerd gives the following results in the contests for representatives from this district:

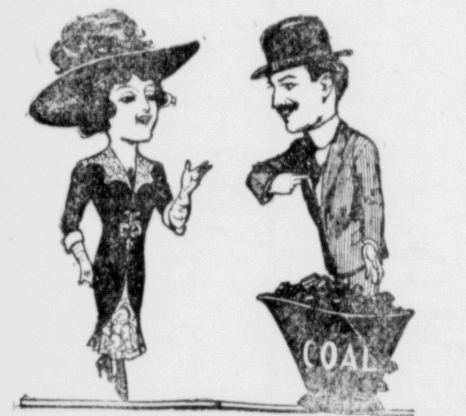

Bouck 539, Brown 430, Vasaly 230, Gravel 190, Henning 345, Crossfield 255. Morrison county this morning reported four precincts of Little Falls and three country precincts as follows: Bouck 147, Brown 172, Vasaly 280, Gravel 229, Henning 51, Crossfield 76.

Additional returns from Morrison county give the following figures on the vote for representatives at 3:30: Three city wards at Little Falls and 14 country precincts give Bouck 617, Brown 657, Vasaly 1108, Gravel 708, Henning 182, Crossfield 377. Adding this to the Crow Wing county totals from 21 precincts gives Bouck 1156, Brown 1087, Vasaly 1338, Gravel 898, Henning 527, Crossfield 632.

A Good Rule.
When thou wishest to give thyself delight think of the excellences of those who live with thee—for instance, of the energy of one, the modesty of another, the liberal kindness of a third. —Marcus Aurelius.

Byron and His Title.
Professor Masson in the first published records of the ancient grammar school of Aberdeen recounts this school legend about the poet Byron: "It was said that on his coming to school the first morning after his accession to the peerage was known and on the calling out of his name in the catalogue no longer as 'Georgi Gordon Byron,' but as 'Georgi Baro de Byron,' he did not reply with the usual and expected 'adsum,' but, feeling the gaze of all his schoolfellows, burst into tears and ran out."

IMPROVING NORTHERN ROADS

The Duluth-St. Vincent Highway Scheme is Making Rapid Progress Towards Completion

The Commercial club of Cass Lake held a very enthusiastic meeting at which the chairman of the good roads committee, G. E. Marshall, reported that he had completed all necessary arrangements regarding the signers, bondsmen and otherwise to place the Cass county part of the Duluth-St. Vincent highway before the board of county commissioners for action looking to the beginning of the work of building in the early spring. He also reported that the Blackduck-Cass Lake road petition is at Blackduck for work at that end of the line.

Lycan Hotel is Burned at Bemidji

Bemidji, Minn., November 6.—The Rex hotel owned by the Fitzer Brewing company and operated by Frank Lycan burned to the ground Tuesday, the fire originating in a laundry chute. The hotel was built two years ago and was valued at \$40,000. The furnishings owned by Lycan were valued at \$12,000, on which there was \$5,000 insurance.

"Three Twins"

Hundreds of people were turned away last night, unable to secure seats for the Sherman Kelly Stock Co.'s production of the musical comedy, "The Three Twins," at the Brainerd opera house.

Again Mr. Kelly proved he has the most versatile company playing this territory, by the clever manner in which his entire company interpreted the several different roles.

Mr. Kelly, as Tom Stanhope, who causes all the mischief, added life and ginger to the performance.

Miss Ruth Gale's portrayal of the part of Kate Armitage was splendid in as much as she did not over do the part, which is often the case when in the hands of a less capable artist.

The vaudeville is changed nightly and is way above par. "The Chorus Lady," one of the strongest plays in Mr. Kelly's repertoire will be presented tonight and no doubt another packed house will greet this popular stock company, which is fast becoming known as the Northwestern favorites.

"The Havoc"

Mr. Paul Gilmore, an actor who can act, will be seen at the Brainerd opera house Friday evening, Nov. 15 in his new H. S. Sheldon drama, "The Havoc." It is in this drama with a comic twist or two that Mr. Gilmore is doing some of the best professional work of his life. The chief character in it is a wronged husband, a masterful man, who dominates critical situations through an iron will that is concealed under a light suave, easy, but grimly humorous manner. "The Havoc" is remarkable for big dramatic moments, and Mr. Gilmore's lot in it seems to have placed him in the very forefront of the season's successful stars.

N. P. RY. GETTING ORE DOCK BIDS

Railroad's Structure at East End of Superior Will be of Concrete and Steel

THE DOCK IS TO COST \$1,000,000

It will be 1300 Ft. Wide, 80 Ft. High and of 60,000 Tons Capacity

Bids are now being received by the Northern Pacific chief engineer at his St. Paul office for the construction of the new ore dock at the East End in Superior which will in all probability be erected this winter. This dock is an indication of the activity of the Northern Pacific in providing for the ore traffic of the Cuyuna range for next season.

The cost of the dock will be \$1,000,000 and will be constructed of concrete and steel. The dimensions will be 1,300 feet long, 70 feet wide and 80 feet high, and the dock will have a capacity of 60,000 tons of ore.

The foundation of the dock will be of concrete and steel to a height of 40 feet above the water line and the upper part will be of steel only. The American Bridge Co. has been awarded the contract for the steel construction, and the spouts will be operated by electricity. Dredging for the dock is already in progress.

The hearing on the Northern Pacific railway's application for a certificate for the construction of its ore line will come up at Madison, Wis., on November 22.

OUR NATION.

A nation is not a conglomeration of voters to be represented by hungry politicians empowered to partition the spoils of office, but a people animated by a common impulse and seeking to work out a common destiny. The destiny of America is mutual service. Labor is the cornerstone of our nationality—the labor of each for all.—Emerson.

"Tells the Whole Story"

To say that Foley's Honey & Tar Compound is best for children and grown persons and contains no opiates tells only part of the tale. The whole story is that it is the best medicine for coughs, colds, croup, bronchitis and other affections of the throat, chest and lungs. Stops la grippe, coughs and has a healing and soothing effect. Remember the name. Foley's Honey & Tar Compound, and accept no substitutes. H. P. Dunn—Adv.

Gilmer-Britton

A pretty home wedding was solemnized at seven o'clock last evening when Bert Ellsworth Gilmer and Miss Clara Lillian Britton, daughter of Mr. and Mrs. Francis J. Britton, were united in marriage, Rev. Bernard Campbell, rector of St. Paul's Episcopal church officiating.

The bride was attired in a lovely gown of cream messaline trimmed with old lace, the lace being an heirloom in the family. She carried a bouquet of bride's roses. Preceding her to the altar which was improvised with flowers, walked the little ring bearers, a girl cousin and a brother of the bride, dressed in white satin and bearing the ring in a calla lily reposing on a cushion. The wedding march was softly played by Miss Clara Donant at the piano and Miss Fern Hitt, violinist. The bridemaid was Miss Maud L. Britton, a sister of the bride, who was dressed in voile over pink trimmed with lace. The groom's best man was L. S. Britton, of Missoula, Mont.

The rooms of the home were most beautifully decorated, being draped with silk ribbons and embellished with carnations and English ivy. A sumptuous supper was served following the ceremony. Among the out of town guests present were H. T. Emmerson, of Minneapolis, an uncle of the bride's mother; Mrs. Minnie Nelson of Fergus Falls and Robert F. Britton of Spokane, Wash.

The happy couple received many valuable and pretty presents, cut glass and silver and gifts from the young men he had associated with and others. The groom is a valued employee of the Brainerd Grocery Co. and is well and favorably known in the city. The bride is a popular young girl who enjoys a large acquaintance in the city. They will make their home at 1201 South Park street. The Dispatch joins their many friends in wishing them all possible happiness and prosperity.

Newburyport, Mass., Mrs. Chas. Jackson, states: "I greatly feared I was going to have tuberculosis so I got Foley's Honey & Tar Compound took it. The hemorrhages stopped and today I am a well, strong woman with no sign of tuberculosis trouble. I always keep Foley's Honey & Tar Compound in the house as it keeps the whole family free from colds." H. P. Dunn—Adv.

IT'S A MISTAKE

Made by Many Brainerd Residents

Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other makeshifts. The right treatment is kidney treatment and a remarkably recommended kidney medicine is Doan's Kidney Pills. Brainerd is no exception.

The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills in Brainerd.

Mrs. P. M. Bislar, 412 S. Twelfth St., Brainerd, Minn., says: "Our experience with Doan's Kidney Pills, procured at H. P. Dunn & Co.'s Drug Store, has been very satisfactory. They have proven most effective in relieving lumbago, dull pains in the loins and trouble with the kidney secretions. About two years ago a member of my family publicly endorsed Doan's Kidney Pills, after using them with great benefit. That testimonial still holds good."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

SOME REMARKS ON ELECTION

How One Man Voted in Deerwood Village, Making But Two Crosses On His Ballot

EVERYBODY FIGURING RESULTS

Some Election Bets Made—Strict Enforcement of the Campaign Button Law

Down at Deerwood the judges ran across several ballots marked with but two crosses and the tickets were for Roosevelt and John A. Oberg. In the fourth ward in Brainerd several were encountered which were marked with but one cross and the vote was in such cases went to Jay Henry Long, candidate for county attorney.

Today everyone has his pencil out and is figuring out to his own satisfaction how it all happened. As one man expressed it: "We will have a democratic president, a Bull Moose congressman, and a republican governor."

At Crosby Lefkowitz the storekeeper was proudly displaying his Roosevelt button at the polls and the ballot counting committee went after him and Ed Lovdahl showed him the law on the subject and he buried his button.

A large vote was polled in the mining districts of Crow Wing county. Formerly the polls closed at six in the evening and many miners had no opportunity to vote. Closing at nine o'clock according to the new law, gave the men a chance to wash up, dress, have supper and walk to the polls and vote.

The surprise of the election has been the showing made by the socialists. In some places they backed the old parties off the boards. Election day brought ideal weather. It was warm and sunny and a record breaking vote was polled throughout the county.

At the Commercial club parlors and at the opera house and other points bulletins were read last night and the waiting audience cheered the varying fortunes of the candidates they had espoused. Returns were read at the Deerwood depot, at the Spaulding hotel in Crosby and other points on the range.

Numerous election bets were recorded, with the most money on Wilson. Today it is hard to find a loser, every man being willing to boast of his winnings but shutting up like a clam on his losses.
